

Specy 5th at Geelong

May 26th: Starspect returned to racing in a low profile renewal at Geelong on Friday 23rd in a 0-78 1100m race on the ThoroughTrack. She raced well and came home for fifth place and her first weigh in, in more than 2 years. The folks on track to see her compete were very excited. Fingers crossed her return form can continue as she gets out over distance.
