

Speccy doing well in Ballarat

Jan 06 2009: Happy New Year everyone.

We visited our girl Speccy up at Ballarat. Simon and Suzie Morrish were happy to show us around.

The stables are right on the trak at Ballarat and rolling hills surround. Perfect environment for training.

Simon and Suzie Morrish indicated she had done well in her time over christmas etc.

Her coat looked good but Simon suggested it was about 2 more weeks from looking better.

She is pretraining and is up to even time in gallops.

Simon indicated she was keen.

Lachy and Bela were wrapt to see the girl looking so good!

Bacl in the stables it was time for some food and a pat.

A few more photos before we had to leave

Anda wink from the mighty Speccy that she is feeling good.

See you in melbourne Speccy
