

## Specy Bendigo

Starspect ran at Bendigo on Sunday and ran a gallant 4th. After being taken to the front and fighting Mark all the way it was a good effort to keep going to the line in the straight.

She has pulled up well and Tony will reload her and replan the next assault.

Prior to Bendigo she had a tilt at a MV race of good quality and she was unplaced. Her half brother Regency Kingdom recently won in HK and another half Grosvenor Tsar with David hayes ran third in South Australia, rattling home.
